

September Prayer 2011

Dear co-laborers in prayer for our world.

I am sending this directly to you this time, as well as asking my friend to put it on our website, because I should have had this information in your hands already, but for several reasons, just unable to get this done.

The very important time matter is this. The United Nations begins its annual major session tomorrow...currently the heads of states, Kings, ambassadors, etc., are moving into New York city this weekend...and the city will be very much affected by this for ten days...HOWEVER, THE WORLD WILL BE AFFECTED BY THIS FOR TIME TO COME. Very major considerations are being discussed, and decisions made...and of course conclusions are reached with human wisdom as sinful hearts and minds deliberate. The only thing that changes this is PRAYER...BECAUSE GOD IS VERY INVOLVED IN WORLD DECISIONS AND LISTENS TO THE PRAYERS OF HIS PEOPLE AS WE SPIRITUALLY BATTLE IN OUR PRAYER CLOSETS, FOR HIS WILL TO BE DONE ON EARTH EVEN AS IT IS IN HEAVEN. You will hear on the news of major subjects of sessions, but some you will not hear about.

One thing you will hear nothing about is that there are some key Christian activities prayerfully planned for these ten days. One man we work with has private and personal appointments with some of these key leaders from strategic and powerful countries. In these appointments alone he is able to present his wonderful writings on the nations of the world...with God's Words and desires...and there are others besides him at work this week....much prayer will rise to our Father. Will you join your prayers with those of others for God's Sovereign Presence to rule and over rule in the United Nations Assembly these next ten days.

I am also attaching two other items having to do with our world for your prayers.

May I suggest that you use your source of news...media...newspapers...as a world prayer list. Each day, keep a notebook in hand and jot down countries, people, and needs in our world...as we all do this, God will hear and answer our prayers. He has a heart for our world...greater than ours.

As I did last year, I will post prayer material every other month for our unified intercessions.

Lois from Hephzibah House
